Welcome: We wish you a warm welcome to our parishes. If you are a visitor for the day we wish you well, if you are new to the area – please make yourself known to one of the many helpers in our churches who will be pleased to welcome you to our community.

It is a sad fact of life that we also have to remind you to take care of your valuables and purses whilst in church – unfortunately not everyone comes here for the right and correct reasons.

Dear Brothers and Sisters:

Mass intentions for all Parishes: As the months have passed, they will have been a back log of mass intentions yet to be fulfilled. I believe the fairest way to fulfil the intentions would be to take them one at a time from the mass intention book.

Father will accept mass intentions. On your envelope, please put which church you want the intention said at, who the mass intention is for and place the offering inside the envelope, no need to seal and please hand to Father personally.

The mass intentions will be taken from the requested intentions book as stated above.

Attending Mass at All Churches:

- Hands will need to be sanitized both on entering and exiting the church
- Masks are no longer mandatory in Church, if you wish to continue wearing them, please feel free to do so.
- Holy water stoops are now in use, so you can bless yourself when entering and leaving Church.

Update from the Birmingham Diocese when attending Church:

With respect to the current situation with the Omicron variant it is important to ensure the following points are followed in our churches:

- That people displaying any symptoms of Covid-19 should stay at home and not travel to church or participate in person.
- That hand sanitiser is available to those attending the Church.
- That there is good ventilation and air throughput in the building; in this case, because of climatic conditions, it would be important to remind people to wrap up well in church!
- That a positive message encouraging people to get vaccinated and have the booster jab when able is delivered whenever possible.
- That people who are engaged in a form of pastoral ministry which involves ministry to the housebound, sick and vulnerable, should take regular lateral flow tests to ensure they are safe to do so. These are free from the NHS.

There is now very strong evidence to support that the main mode of transmission is through breath and nasal aerosols, and that the risk from surface and touch transmission is very small indeed. As such, the strict regimes of church cleaning that were recommended at the beginning of the opening of churches for public worship are no longer necessary. General church cleaning is sufficient. If these guidance points are supported, then the churches will continue to be safe places for people to gather for acts of public worship.

We remember and keep in prayers all those who are sick and ill – and those who care for them. We especially remember those who have died in recent weeks, Nancy Simpson and Helen Kelly along with other relatives and friends who have not been in touch with the parish office.

Lourdes is coming to us

A pilgrimage of the relics of Saint Bernadette of Lourdes, Bernadette Soubirous, is coming to the Archdiocese of Birmingham this October.

The relics will be visiting *St Chad's Cathedral in Birmingham, Our Lady of Lourdes in Hednesford* and the *Immaculate Conception in Bicester* over the weekend of 7 - 10 October.

Details can be found on the diocesan website, and it is hoped that we can organise a coach to the visit to Hednesford. More details later.

Details can be found on the diocesan website. We hope to visit the relic at the diocesan Lourdes shrine on the evening of Saturday 8th Oct 10pm to midnight. We are planning to hire a coach and want to know how many might be interested. Please put your name on the list provided at the back of all three churches. approx. cost £20 per person.

I would love to offer some places to our Young adults 16 –25 to come and spend some time with the relic of St Bernardette. Therefore on a first come first booked basis on the coach for a reduced £5 please see Fr David.

A message from Bishop Stephen.

Having spoken with Archbishop Bernard and with Fr. Paul McNally this message is to give you advance notice that the North Staffs Deanery has been chosen for a Deanery Visitation in 2022-2023. There will be more information about the practicalities later in the summer.

Archbishop Bernard has agreed to have the opening liturgy on Thursday 22nd September at 7pm at Holy Trinity, Newcastle-under-Lyme.

Some news.....

This weekend sees the last weekend of pastoral service by Rev. Mr Paul Bradley. He and his family are moving to Ireland, where he will take up a new active ministry there. We thank him for his commitment to ministry especially to the parish of Our Lady's Fenton. We wish him and his family every blessing for this new stage in their lives.

After nearly 17 years as parish secretary, Cath Gilbert has tendered her resignation. This is primarily because of the increasing workload as an interpreter for the deaf community. The parishes have much to thank her for in a work that is so often unseen and unacknowledged, especially in more recent times of difficulty that the parishes experienced. I add a personal note of thanks to her for the support she personally offered me on my arrival here. We wish her well in the work and care she offers to the deaf community in the years to come.

Every Blessing. Fr David
